Notes

α : Supplier (Gasoline, Spareparts, etc.)

β : SKBF Customer

1. For this financing product, the supplier's invoice issued to the SKBF customer serves solely as the basis or reference for this financing, and shall not be treated as collateral, as this financing is not a factoring scheme.
2. The financing collateral may vary and can include land certificates, buildings, houses, other constructions, and/or invoices of heavy equipment.
3. The collateral appraisal process is planned to be conducted by a licensed public appraisal firm (KJPP).
